Experience**

Superb Performance!!!

1. These guys (excuse the expression) are great! Just got home from their concert here in Brenham, Texas. Wow! Wow! and, Wow! The trio is so good and so respectful of Peter, Paul and Mary. They have some great stories about the original group, and their music is simply wonderful. Cannot give this trio a good enough review. You simply must see them in person, and if you're a P, P & M lover, you'll come away very pleased. Thank you, guys...Reviewed by Ken

2. Friends, Y'all were wonderful! Your sound, your personalities and YOUR MUSIC honored the memory of Peter, Paul, and Mary! It was so fun to sing along to the songs I learned as I learn to play a baritone UKE and folk guitar during my adolescent years. Thank you for sharing more than just the songs. In some cases, it was my first time to actually pay attention to the words and message. Thank you for a fantastic performance! Review by K. Scruggs

3. My party at Brenham's Historic Simon Theatre at the Barnhill Center was a huge success because of the wonderful performance by Peter, Paul, and Mary Alive of Las Vegas. So authentic. The audience was singing and crying and laughing all at the same time. Review by L. Moorman
